

CORPORATE WORKSHOP WITH  
**HANAE BEZAD**

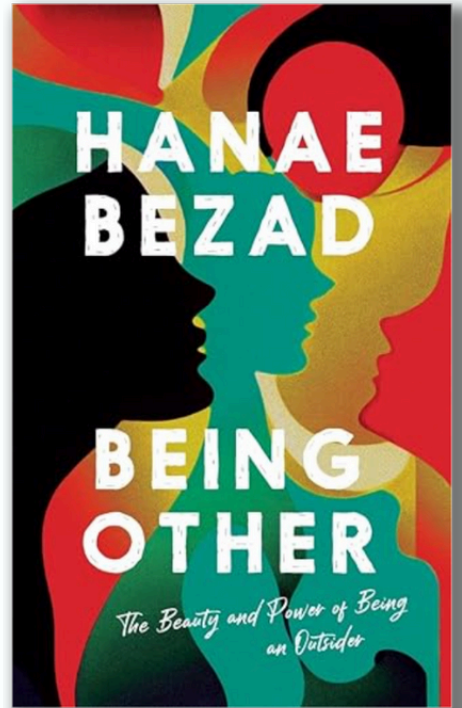

ENTREPRENEUR, PUBLIC SPEAKER, AND AUTHOR

**JOIN THE MOVEMENT. EMBRACE YOUR  
OTHERNESS. CHANGE THE WORLD.**

Do you ever feel that despite your skill and hard work, you're overlooked because of your gender, race, ethnicity, religion, or nationality? Do you feel the need to dim your shine just to fit in?

In *Being Other*, Hanae Bezad takes you on a journey through her lived experiences—as a woman, an Arab, a Muslim, and an African—and intertwines them with the tales of other inspirational women. Teaching you, and your business, how the experiences of being othered is the key to unlocking compassionate and forward-thinking leadership.

*Being Other* is for anyone looking to reclaim their otherness as a creative superpower and achieve the success you deserve.

**WHAT IF BEING OTHERED LEADS TO A NEW KIND OF LEADERSHIP  
THAT CHALLENGES, INSPIRES, AND EMPOWERS?**

**ABOUT HANAE**

Hanae is a change activator, serial entrepreneur, strategic consultant, author, speaker and board advisor.

She has launched edtech ventures and initiatives to empower vulnerable youth with tech skills, promoting gender equity. She also developed strong ties with the African startup ecosystems and worked as a policy advisor to African governments.

Building on decades of experience in Europe, Africa and America, Hanae works closely with rising entrepreneurs, cultural innovators, impact investors and philanthropists, making an impact in various industries.
